Declaration of raw material and ingredients compliance

To be completed by the manufacturer of each raw material, or an authorised distributor. A single declaration may be completed to cover more than one raw material.

Companies wishing to use their own documentation and systems to collate information about animal testing may do so, provided the same questions are addressed. Please refer to the 'Information for Supply Chains' document for more information.

Alternatively, please contact **LeapingBunny@crueltyfreeinternational.org** with any questions you have concerning your use of these forms, or to discuss whether any alternative system will meet Leaping Bunny criteria.

Section 1: Finished product manufacturer information

Section 3: Raw materials and ingredients

Please list, where applicable, all raw materials (and their component ingredients) as requested by, and supplied to, the finished product manufacturer named in Section 1.

You may refer to the 'Information for Supply Chains' document for definitions of the terms used on this form, or clarification on any of the information required.

Please ensure you declare each raw material trade name, as well as each of their component ingredients. The information below must be sourced from information dated within the last 12 months. Feel free to copy page 5 as required if providing information for several materials.

Raw material trade name/s	Tested on animals after 11th March 2013 for any purpose? (Yes/No)	If 'Yes', list all test dates*

Ingredient/s in the above raw material/s - INCI name and EC or CAS number	Tested on animals after 11th March 2013 for any purpose? (Yes/No)	If 'Yes', list all test dates*

*If the date of any test on any raw material or component ingredient is later than the fixed cut-off date (FCOD) operated by the Leaping Bunny company/applicant, further investigation will be required and you may be asked you to provide more details to support the investigation.
