Sustainable Beauty Awards Looking for Green Champions

London –The [Sustainable Beauty Awards](#) is open to entries, looking to recognise operators transforming the beauty and personal care industry for a greener future.

The Sustainable Beauty Awards celebrate brands, companies, and innovators who are advancing the sustainability agenda through ground-breaking products, ingredients, packaging, or initiatives.

There are five award categories...

- New Sustainable Product Award – a new cosmetic / personal care product with strong sustainability credentials.
- Sustainable Ingredient – a new ingredient with sustainability features that make a significant difference to cosmetic / personal care products.
- Sustainable Packaging - a new packaging format that has a lower environmental impact.
- Sustainability Pioneer –organisations undertaking pioneering activities to advance sustainability in the beauty industry.
- Sustainability Start-Up – start-ups with ground-breaking sustainability ingredients / products / solutions.

The closing date for entries is 11th September. The finalists will be notified by 2nd October, and the winners will be crowned at the awards reception in Paris at the Crowne Plaza – Republique hotel on the evening of 27th October. The event will be co-hosted alongside the European edition of the Sustainable Cosmetics Summit.

Award recipients will benefit from media coverage and industry recognition of their sustainability achievements. Winners of the previous (2025) Sustainable Beauty Awards were Bamboovement, BioTara, CAHM Europe, Croda Beauty, C16 Biosciences, Kheoni Wellness, Laverana, Lucas Meyer Cosmetics by Clariant, Occeanne, Ringana, and SMCG Glass.
